BIDDER "B"			
3	Clause (5),(6) of Explanatory notes to (a),(b),(c) of para 15 of Tender Call Notice & Clause 3.2 under III INSTRUCTIONS TO BIDDERS	Bidders request to revisit the conditions and modify the clauses that; It may be noted from the conditions that while the minimum eligibility criteria except Financial Turnover can be fulfilled collectively by the Partners of the JV/Consortium, Financial Turnover of the lead partner only will be considered for minimum financial turnover eligibility criteria. This is contradictory and defeating the very purpose of the JV/Consortium. Similarly, elsewhere in the TCN, it has been mentioned that the lead partner will be decided based on the quantum of similar work experience of each partner independently and the partner who is having maximum quantum of similar work experience will be the Lead Partner. Both the above	Please refer Sl. No.5 of Addendum/Corrigendum No.3

		<p>conditions are detrimental to the objectives of forming JV/Consortium.</p> <p>The bidder request to delete the restrictive conditions and add the following:</p> <p>i. <i>“In the case of JV/Consortium, both registered and un-registered, minimum eligibility criteria shall be evaluated based on the combined quantum of similar work experience and financial turn over during the immediate past 7 and 3 Financial Years respectively. For this purpose, similar work experience shall be those work experience involving dredging operations of any mode including inland water dredging using cutter suction dredgers or similar equipment. Financial Turnover shall include total audited turnover of each partner's firm.”</i></p> <p>ii. <i>“In the case of JV/Consortium, both registered and unregistered, the partners in the JV/Consortium shall nominate one of them as the Lead Partner as their authorised agent or signatory for co-ordination and management of the day to day operations of the project. All the partners in the JV/Consortium shall, however, be jointly and severally responsible and accountable for the consequences of any and all the defaults or lapses in the execution and performance of the contract.”</i></p>
