TRADE CIRCULAR

Cochin Port Trust is implementing the new Port Operating System (POS), which is proposed to be operational in place of the existing system with effect from 01/01/2020 first shift (ie. 0700 hrs). Due to technical reasons, existing POS will be shutdown during the transition period from 27/12/2019 first shift (ie.0700hrs.) to 31/12/2019 third shift (ie.0700 hrs. on 01/01/2020).

It is also brought to the notice of all Stakeholders and Port Customers to maintain sufficient balance in advance for the Port services, as the fund transfer through PCS may get affected during the transition period. All Stakeholders and Port Customers are requested to reconfirm that the PCS messages; especially for the VCN & Berthing requests, IGM, BE, OOC, SB, LEO and Payment details are received by CoPT.
